SUBJECT: Thank you Lanny

March 9, 2011

Lanny

Celeste and I can not say enough about how much we enjoyed you sharing our special day with us. You were a class act. We did not view you or your employees as just our vendors. Lanny's Bridal and her employees were excited to be apart of our memorable event, and assured us that everything would be fine. Not as vendors, but as a group of professionals that wanted to make the day perfect for us. She has competitive prices, and even throws in lots of extras. All of you were professionally dressed in your uniform tops. Lanny's Bridal in deed provides a "one stop shop." We utilized her for our reception hall décor, photographs, and limo service. We are going to refer everyone we know to you, and will utilize you many years from now when our children will be getting married.

Thanks again for the great on-going communication and support

Stan & Celeste
